In the current health context that impacts us all – businesses, team members and partners – we want to assure you of the full commitment of the entire CETAL team to preserve the best possible safety to our team members while granting a continuity of service to our customers.

Week 14

All our teams, sales and design offices **will assure continuity of service** in order to keep on advising you, quoting, processing and designing orders.

All of our teams are working from home.

Our plant will restart as planned in week 14 enabling us to manufacture and dispatch, while strictly following in terms of organization and hygiene the recommendations from the authorities to assure the **best safety conditions to our workforce**.

Your usual contacts will remain at your entire disposal to answer any question you may have. If you don't succeed to reach your contact, please send your request to the address contact@cetal.fr.

In any case the CETAL top management is your disposal and will assure the continuity.

Take care of yourselves and your families.

Kind regards,
CETAL team / CETAL Managing Director
